

Nucor Steel – Arkansas  
PO Box 30  
Armored, Arkansas 72310

## Job Announcement

Nucor Steel Arkansas, a division of the nation's largest steel and steel products manufacturer and largest recycler is seeking to assemble a hiring pool of qualified applicants for Entry Level Production positions. Most production positions in our steel plant require moderate to heavy lifting and can be physically demanding including working in extreme temperatures.

We are looking for candidates who are willing to work any shift which would require working both day and night shifts in a drug free environment. Nucor Steel Arkansas offers the following benefits;

- Medical/Dental Plan
- Long-Term Disability
- Education Reimbursement
- Vacation
- 401K

Individuals who would like to learn more about opportunities at Nucor Steel Arkansas should go to <http://careers.nucor.com/> and search for Entry Level Production in Arkansas. Individuals who register should be prepared to complete a brief questionnaire. Previous registrants will need to take the questionnaire again to be considered. Nucor will only be accepting a limited number of submissions. The registration period will start at **8:00 am on Monday, May 7, 2018** and will end **on May 7, 2018** once a set number have expressed the willingness to work in the available positions. Each individual should submit only one questionnaire related to this job posting and **must provide a valid, personal email address.**

Nucor Steel Arkansas does not accept unsolicited resumes. No phone calls please.
