The right candidate will

- Repair or maintain the operating condition of industrial production or processing machinery or equipment.
- Repair or replace broken or malfunctioning components of machinery or equipment.
- Disassemble machinery or equipment to remove parts and make repairs.
- Observe and test the operation of machinery or equipment to diagnose malfunctions, using voltmeters or other testing devices.
- Reassemble equipment after completion of inspections, testing, or repairs.
- Clean, lubricate, or adjust parts, equipment, or machinery.
- Examine parts for defects, such as breakage or excessive wear.
- Operate newly repaired machinery or equipment to verify the adequacy of repairs.
- Analyze test results, machine error messages, or information obtained from operators to diagnose equipment problems.
- Record parts or materials used and order or requisition new parts or materials, as necessary.
- Record repairs and maintenance performed.
- Study blueprints or manufacturers' manuals to determine correct installation or operation of machinery.
- Cut and weld metal to repair broken metal parts, fabricate new parts, or assemble new equipment.
- Enter codes and instructions to program computer-controlled machinery.

- Demonstrate equipment functions and features to machine operators

What we offer

- Competitive compensation, medical/dental/vision coverage, paid vacation, paid holiday time, 401k with a company match, training, a tuition reimbursement program and more!

What we do

SMS group is the leading partner in the world of metals. We are an original equipment supplier offering comprehensive maintenance and spare part services for metals production, continuous casting and rolling (flat and long products), tubes, welded pipes, forging, non-ferrous technology, and heat treatment plants - all from a single source.

SMS group Inc. is an equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, sex, religion, national origin, age, sexual orientation, disability, veteran status, gender identity or other categories protected by law. Employment is contingent upon successful completion of a drug screen and physical capacity profile test.
