

Associate Degree Nursing Clinical Instructors

(Part-Time)

Position Description:

The clinical instructor in the Associate Degree Nursing Program is a part-time position hired each semester as needed. Clinical instructors are assigned by course in a health care facility providing clinical instruction, supervision, and evaluation to assigned students. Position reports to the Director of Associate Degree Nursing.

Qualifications:

Unencumbered license as a Registered Nurse in the State of Arkansas or Compact State. Bachelor's degree in Nursing is required with Master's degree in Nursing preferred. Applicant must be RN with two years of clinical nursing experience.

Job Responsibilities:

Duties of the Associate Degree Nursing Clinical Instructor include but are not limited to:

1. Is guided by the College and Associate Degree Nursing (ADN) department mission statement in striving to implement the ADN's philosophy of nursing education.
2. Follows established academic policies and procedures of the College that facilitate instruction, administration, and student well-being.
3. Provides clinical instruction that supports the learning objectives identified for course assigned.
4. Demonstrates appropriate preparation for clinical instruction, supervision and student evaluation.
5. Develops and maintains an environment conducive to effective learning.
6. Utilizes effective teaching methodologies in clinical setting as appropriate and available to enhance student learning.
7. Evaluates student progress in the clinical lab and clinical facilities and provides written evaluations as requested by the supervisor in a timely manner.
8. Demonstrates effective interpersonal relations and communication skills with students, staff, faculty, and all College employees.
9. Attends and participates in reconvening activities and divisional and departmental faculty meetings as requested.
10. Maintains an annual evaluation portfolio of teaching and professional activities that demonstrates professional growth.
11. Cooperates with other members of the ADN faculty and staff in planning clinical instructional opportunities that meet the course goals and objectives.
12. Responsible for maintaining updated, unencumbered license to practice in Arkansas or a Compact State.
13. Maintains education and clinical competencies in areas of instructional responsibilities.

Application Deadline:

Review of applicants will begin immediately and will continue until the positions are filled. Interviews may occur throughout the application period.

Application Procedure:

To apply, candidates should submit a completed ANC application, letter of interest, resume, references, copies of transcripts for all postsecondary work and certification materials to:

**Office of Human Resources
Arkansas Northeastern College
P. O. Box 1109
Blytheville, AR 72316-1109**

or
