AVERAGE FULL-TIME WAGES

Highlights

ASSOCIATE DEGREES
STEEL INDUSTRY TECHNOLOGY \$93,218
NURSING \$53,157

TECHNICAL CERTIFICATES
PARAMEDIC \$57,001
HVACR \$50,190

CERTIFICATE OF PROFICIENCY*
CONSTRUCTION TECHNOLOGY \$57,836
EMT \$56,643
WELDING \$47,992

** It is important to note that these certificate of proficiency programs are only one semester in length.*

Arkansas Northeastern College is once again the leading institution on wages earned by community college graduates in the state. The 2018 Economic Security Report provides first year earnings and employment data for 2015 and 2016 graduates and reveals once again that the Arkansas Northeastern College leads all colleges and universities in Arkansas in terms of the average full-time wages for associate degree graduates with an average full-time wage of \$51,624 during students' first year of employment. In fact, the only bachelor degree full-time wage average that exceeds ANC's associate degree average is the medical school at UAMS.

NUMBERS AT A GLANCE

Average First Year Wages for Graduates

ANC Associate Degree \$51,624
UALR Bachelor Degree \$44,296
UAFS Bachelor Degree \$42,793
ANC Certificate of Proficiency \$40,133
UCA Bachelor Degree \$37,935
ASU Bachelor Degree \$37,693

ANC's Certificate of Proficiency programs are one semester in length.

Governor Asa Hutchinson visits with ANC Board of Trustees Chairman John Newcomb following the grand opening for Arkansas Northeastern College's new Center for Allied Technologies. This new facility is an important feature for the College's ability to continue to prepare students for the workforce.

ARKANSAS NORTHEASTERN COLLEGE CENTER FOR ALLIED TECHNOLOGIES GRAND OPENING

The Grand Opening for Arkansas Northeastern College's new Center for Allied Technologies was held August 17, 2018. The public open house came just in time for the beginning of the Fall 2018 semester.

Construction of the new 90,000 square foot Center for Allied Technologies began in April 2017. This new center actually decreased the College's overall facilities by 30,000 square feet by consolidating the Burdette Center, Harry L. Crisp Center, and the ACME Center—with an estimated costs savings for the College of approximately \$100,000 per year in maintenance. The Center for Allied Technologies features the headquarters for the College's customized training force—The Solutions Group, including general purpose classrooms, electrical classroom/lab, mechanical classroom/lab, safety classroom/lab, HVACR classroom/lab, computer classroom, and large multi-purpose room. Additionally, a world-class welding laboratory is available for students. ANC Technical Center students from area high schools are being served on the ANC Main Campus by classroom and lab facilities for Aviation Maintenance, Construction, Criminal Justice, Industrial Technology, Medical Professions, and Welding. The design incorporates a computer lab specifically for the ANC Technical Center.

Also featured is an aviation complex, combination non-destructive testing (NDT) and composites laboratory, and general purpose classrooms to fully accommodate ANC's Federal Aviation Administration certified Aviation Maintenance program. Other related facilities include an aircraft apron, paint booth, tool room and compass rose. The building features a two-story height aviation room, welding lab, and glass entrance tower to add to the Center's distinctiveness and appeal.

The Center is home to the newly created Arkansas Steelmaking Academy (a partnership with the SMS group of Germany) and is scheduled to begin operations in 2019. By partnering with SMS, the Arkansas Northeastern College has become a satellite training hub for North America as a cost-effective way to gain knowledge of cutting edge techniques in steelmaking and processing. The agreement between ANC and SMS group will allow companies to save the costs of overseas travel by providing a North American option for the renowned TECademy training.

The ANC Center for Allied Technologies impressively mixes high-tech and industrial components into an educational delivery mode. The cost to complete this facility was approximately \$14,400,000 including architectural and engineering fees. The new Center is supported by \$1,805,000 of private donations. Three distinctive features at the main entrance are the 52-foot vestibule tower, an entrance garden honoring the late John Correnti, and an international flag court featuring national flags representing over two dozen corporate and private donors supporting the construction costs of the Center, including Japan, Argentina, Germany, Canada, and, of course, the United State of America.

Center for Allied Technologies Grand Opening

Arkansas Northeastern College had the honor and privilege of having Arkansas Governor Asa Hutchinson be in attendance and speak to the importance of this facility for this region and the state.

MENTORING PROGRAM HOSTS FINANCIAL LITERACY

Workshop

On September 28, 2018, the Arkansas Northeastern College M.A.L.E.S. (Men Achieving Leadership, Education, and Success) Mentoring Program hosted a Financial Literacy workshop presented by LaRay White of Southern Bancorp. White's emphasis was in forming the mentees about the importance of financial budgeting, credit management, banking use, and much more vital financial information. Seven of the M.A.L.E.S. volunteer mentors were on-hand to greet their mentees. Dr. Blanche Hunt, ANC Associate Vice President for Community Relations, was also on-hand to express the importance of building strong relationships between the mentees and their mentors. M.A.L.E.S. core concepts are life skills, leadership, strong work ethic, academic success, positive self-identity and personal vision.

ANC SHOWS SUPPORT AT YOUTH DAY

On Saturday, August 4, 2018, Arkansas Northeastern College showed up in support of the 32nd Annual City and County Youth Day (formerly known as Kids Day) held at Williams Park in Blytheville, AR.

ANC President Dr. James Shemwell, Associate Vice President for Community Relations Dr. Blanche Hunt, and Success Navigator Willie Williams spoke passionately to the attendees about all of ANC's wonderful degrees and programs specifically designed to put our great citizens to work locally and beyond.

The entire Community Relations staff, along with the Opportunity Bus, were on hand to recruit potential students. Thanks to the organization founder Mr. Shannon "Duck" Simms and his distinguished partners, this event was a great success as we continue to share Arkansas Northeastern College's opportunities with the community.

ANC PRESIDENT HOSTS SEVERAL FOCUS GROUP MEETINGS

ANC President Dr. James Shemwell continued his tradition of hosting several “Focus Group Meetings” with students from different divisions at the College. During the month of November, Dr. Shemwell met with approximately 40 students who were nominated by faculty. Each Focus Group targeted a different student population. The Focus Groups were comprised of students in the following areas: Student Ambassadors, Allied Health, Allied Technologies, Arts and Sciences, and Online. Dr. Shemwell uses these meetings to learn the thoughts of the ANC student body. Hearing about the ANC experience directly from the students has become an invaluable tool for the College in meeting student needs. Student success is extremely important, and these meetings allow the President the opportunity to hear directly from the students in a setting where dialogue is comfortable and engaging.

BENNETT, FISHER SERVING LOCAL CHAMBERS

Gene Bennett

As a community college, Arkansas Northeastern College appreciates the role it plays in the constituencies it serves and fosters an environment where its employees are encouraged to become involved in their communities. ANC employees serve on many boards, committees, and charitable organizations throughout the county. Two such employees are Vice President for Workforce Development Gene Bennett and Director of Student Services Courtney Fisher. Bennett was recently elected to serve as the President of the Osceola/South Mississippi County Chamber of Commerce Board and Fisher was elected as the President of the Greater Blytheville Area Chamber of Commerce Board. Bennett and Fisher will each serve as president after having served on their Chamber Board for several years.

Courtney Fisher

“I feel very fortunate to work for an organization that places value on contributions to our community. I am both honored and excited to serve my hometown in this capacity and I look forward to seeing what we accomplish this year,” said Fisher.

“Bennett added, “It is important to give back to your community. I am very glad to be able to serve and understand how important ANC is to economic development which makes relationships with our local chambers a wonderful partnership.

ARKANSAS NORTHEASTERN COLLEGE

OPPORTUNITY BUS

SERVING MISSISSIPPI COUNTY PROUDLY

CALL 870-780-1205

The service is free, but requires advance registration. Service is available for all ANC students, including those engaged in non-credit workforce training and adult education programs. SNAP recipients receive first priority to comply with the Arkansas Department of Human Services.

DR. INTRES GIVES PRESENTATION ON THE SULTANA

Dr. Louis Intres (LEFT) spoke about the steamboat Sultana as a guest of ANC History Professor Dr. Jillian Hartley's (RIGHT) United States History class.

Dr. Louis Intres gave a presentation on November 8, 2018 in the Adams/Vines Recital Hall about the Sultana, a steamboat that sank in the Mississippi River north of Memphis, Tennessee, in April of 1865. Several Arkansas Northeastern College students, faculty, staff, and administration were present for Dr. Intres' presentation.

For the past thirty years, Intres has researched the history of the boat and the lives of those who perished in what is now recognized as the largest maritime disaster in United States history. His research of the tragic event has been published in several magazines and documented on the Travel Channel's syndicated program, Mysteries at the Museum, and a recent documentary produced by actor/producer Sean Astin and videographers Mike and Mark Marshall.

The story about the Sultana is incredibly intriguing and is now referred to as one of the ten greatest forgotten stories in American history.

ARKANSAS NORTHEASTERN COLLEGE *Outstandings* RECOGNIZED

Arkansas Northeastern College's Outstanding Faculty, Staff, Alumni, and Academic All-Star were recognized at the Arkansas Community Colleges' (ACC) 30th Annual Conference held October 14-16, 2018 at the Little Rock Marriott in Little Rock, AR.

Brad Harrison, CEO of Mississippi County Electric Cooperative, was recognized as ANC's Outstanding Alumni. Jason Smith of Osceola, AR was honored ANC's Academic All-Star. Arkansas Northeastern College's Associate Professor of Psychology Dr. Gary Yarbrough and Coordinator for Early College Melissa Arledge were recognized as ANC's Outstanding Faculty and Staff.

(TOP LEFT)

THE SOLUTIONS GROUP *Highlights*

Nucor Yamato Steel Employees Receive Core 4 Training

Fourteen Nucor Yamato Steel employees went through Core 4 training with Gary Barth of United Rentals in partnership with Arkansas Northeastern College's The Solutions Group on October 16, 2018. These employees were trained and received operator certifications in rough terrain forklift, counter balance forklift, aerial lift, and scissor lift. The training was fully funded by GREDF and Office of Skills Development Funds.

Industrial Fire Brigade Training Held for Viskase Employees

In September, The Solutions Group held an industrial fire brigade training for employees of Viskase. Training was provided by the Arkansas Fire Academy in conjunction with the Arkansas Northeastern College. There were 35 participants in the class which covered the necessary skills for basic firefighting. The training took place with the Great River Economic Development Foundation covering 25% of the training cost.

CRIMINAL JUSTICE & ALLIED HEALTH DAY

There were approximately 120 high school students from Mississippi County and the Bootheel of Missouri on the Arkansas Northeastern College campus for a Criminal Justice and Allied Health Day. Students were given presentations by law enforcement and health professionals and toured the new Center for Allied Technologies and the Angela Wren Nursing and Allied Health Center. Students also had the opportunity to participate in hands-on activities to give them more insight into careers in the criminal justice and allied health fields.

PAID INTERNSHIPS AROUND AT ANC

Arkansas Northeastern College offers paid internships with several of its community industry partners.

ARKANSAS NORTHEASTERN COLLEGE

PAID INTERNSHIPS

ANC OFFERS PAID INTERNSHIPS WITH

* ACTAGRO * AVIATION REPAIR TECHNOLOGIES
 * D&L * DENSO * KAGOME * LEXICON * NIBCO
 * NUCOR STEEL ARKANSAS * NUCOR YAMATO STEEL
 * SMS GROUP * SOUTHWORTH * SYSTEMS CONTRACTING
 * TMK IPSCO * ZEKELMAN INDUSTRIES

APPLICATIONS OPEN JANUARY 1, 2019

INTERNSHIPS START FALL 2019

POTENTIAL INTERNS MUST MEET THE FOLLOWING REQUIREMENTS

- Must be 18 years or older
- Meet the college placement requirements
- Must have a high school or previous college 2.7 GPA or possess a GED or evidence of home school completion
- Must pass a pre-employment test, physical screening, and drug test
- Must complete company interview for final acceptance

APPLY ONLINE

<http://tinyurl.com/zeusy39>

APPLICATION DEADLINE
MAY 31, 2019

Electrical Internships with Nucor Steel Arkansas, Nucor Yamato Steel, & Zekelman Industries require a 3.2 GPA

As part of the application process, you will be asked to upload a resume and AT LEAST two (2) recommendation letters. Be sure to have these prepared before filling out the application.

FOR MORE INFORMATION, CONTACT INTERNSHIP ADVISOR, COURTNEY COOPER

Girls — IN STEM

ANC partnered with the Museum of Discovery in Little Rock, AR to host a week-long Girls in STEM camp. Activities included Mousetrap Race Cars, a tour of the Arkansas State Chamber of Commerce/Associated Industries of Arkansas, Allied Health activities focused on phlebotomy, pharmacy and EMT/paramedics, a trip to Whitton Farms to discuss agriculture, analyzed supply chain management with American Greetings in Osceola, material science and coding with Nucor Yamato Steel, processing and optical illusions with Big River Steel, and an end of the week project with Tenaris in Blytheville. Thank you to the students, the volunteers and mentors, and to the Museum of Discovery for your involvement.

MEG DAY

On October 5th, Arkansas Northeastern College's Allied Technologies Division hosted an event for business/industry professional for National Manufacturing Day. There were over 100 employer representatives and the event consisted of breakout sessions, a mini job fair, and a lunch presentation from ANC President Dr. James Shemwell and Rivercrest School District Superintendent Sally Bennett.

ARKANSAS NORTHEASTERN COLLEGE TECH CENTER

CRIMINAL JUSTICE STUDENTS ENCOUNTER B.A.T. MOBILE

Students enrolled in the ANC Tech Center Criminal Justice program spent November 1st learning about sobriety checkpoints and the dangers of drunk driving with the Breath Alcohol Testing (BAT) Mobile, courtesy of Black River Technical College. ANC Criminal Justice instructor Duane Busby partnered with BRTC's Criminal Justice and BAT Project instructor Ashley Boles to provide this training opportunity for Tech Center students. Students learned about performing Standardized Field Sobriety Tests, about sobriety checkpoint programs, and about the various camera systems used for monitoring on the BAT Mobile. Students also learned about the dangers of impaired driving while participating in a drunk-driving simulation using Fatal Vision goggles.

AN ANC COMMUNITY

Christmas

CHORAL & BAND CONCERT

On Sunday, December 2, 2018, the Arkansas Northeastern College Division of Arts & Sciences presented the holiday choral and band concert "An ANC Community Christmas" in the Adams/Vines Recital Hall. Under the direction of ANC Music and Choral Director Gianluca Strazzullo, the Community and Chamber Choirs performed nine musical selections. A brief intermission gave the audience a chance to visit the Adams/Vines Gallery before enjoying three pieces performed by the Community Band under the direction of Bobby Coyle. Towards the end of the program, all who attended participated in a Christmas sing-a-long with the ANC choral groups. It was a wonderful way to lift spirits and a great kick-off for the Christmas season.

CAN'T SEE THE FOREST FOR THE TREES

ART SHOW *Terry Lynn*

ANC hosted the closing reception for "Can't See the Forest for the Trees," an exhibition featuring work for artist Terry Lynn, on November 29, 2018. Lynn's work was featured in the Adams/Vines Gallery from October 29th until the closing reception. The ANC Fine Arts department brought Lynn in as the Fall 2018 exhibiting artist.

Lynn, a native Tennessean, resides in Memphis where he is an artist and an adjunct instructor at the University of Memphis. He received his BFA from the University of Memphis and his MFA from the University of Mississippi. He describes his work as "inspired by narratives and personal revelations through which he creates his artworks that evoke and challenge the viewers memories and emotional response." He is represented by David Lusk Gallery in Memphis, TN and the Red Door Gallery in Little Rock, AR. His work has been featured in exhibitions at the Schomburg Center for Research in Black Culture in New York, the U.S. Embassy in Damascus, Syria, Vanderbilt University in Nashville, and The Memphis Brooks Art Museum. His work is featured in corporate collections such as the Hollywood Casino in Tunica and the University of Oklahoma as well as personal collections of Mike Huckabee, Kanye West, BET founder Bob Johnson, and countless others.

M*A*S*H

Medical Applications of Science for Health

Ten junior and senior high school students from Mississippi County area schools attended a two-week Medical Applications of Science for Health (M*A*S*H) camp at Arkansas Northeastern College. The two-week summer camp is full of medical enrichment experiences that allows high school students to shadow healthcare professionals and attend various workshops that enhance their knowledge of health-care related fields. The program hopes to encourage rural youth interested in medical fields to continue their pursuit of this and their education and then return to rural areas to work.

Some of the experiences they are exposed to include: CPR training, Stop the Bleed, teambuilding activities, healthy eating, HIPAA, organ donation, social media, D.A.R.E. program, infection control, a trip to UAMS hospital in Little Rock and much more. Various shadowing experiences such as physical therapy, medical surgical, surgery, emergency care, radiology, laboratory, obstetrics, family medicine, dentistry, veterinary medicine, and more were made available.

The students who attended this year's camp were Kamryn Lancaster of Keiser (Rivercrest High School), Karli McKenney of Gosnell (Gosnell High School), Kayla Parker of Manila (Manila High School), Kenterriya Ford of Gosnell (Gosnell High School), Haley Langdon of Gosnell (Gosnell High School), Gabrielle Mays of Blytheville (Armored High School), Lindsey Laster of Blytheville (Armored High School), Elise Miller of Blytheville (Blytheville High School), Shakiah Williams of Blytheville (Blytheville High School), and Kynadhi McAdory of Osceola (Osceola High School).

ANC HOSTS 3RD ANNUAL SKILLS DAYS

Arkansas Northeastern College hosted the 3rd annual Skills Days "Perfecting through Practice" for Mississippi County Hospital Systems nursing employees from both Great River Medical Center and SMC Regional Medical Center. "Skills Days" is a yearly event that offers an evidence-based training opportunity for nurses to practice every day skills in order to provide the highest quality competent skill level for the patients they serve. The skills for this year's event were: Heparin Protocol, Infection Control, Accessing Ports, Wound Healing Systems, Chest Tube Insertion/Care, and Blood Administration/Warmer. These skills are selected based on research, trends and needs in healthcare as well as employee suggestions.

ANC FLU CLINIC

Arkansas Northeastern College hosted a Flu Clinic presented by the Blytheville Health Department on October 8th in the Angela Wren Nursing & Allied Health Center.

STUDENT NURSE CLUBS GIVE BACK

HELPING OUT THE GIRL SCOUTS

The Associate Degree Student Nurse Club collected backpacks with pajamas for the Girl Scouts. These items are collected by the Girl Scouts Sloan Services Unit and donated to children in foster care. Some of the girls wanted to tell the nursing students "Thank You" for their help in this effort.

HELPING OUT CARUTHERSVILLE HUMANE SOCIETY

The Associate Degree Student Nurse Club collected shoes for a shoe drive which the Caruthersville Humane Society participated in. These shoes go to Funds2Orgs which gives the Human Society money for them that goes towards helping the animals and then the shoes are sent to third-world countries. Over 100 pairs of shoes were donated.

COUNSELOR APPRECIATION DAY

Area school counselors were invited to ANC's main campus on November 29, 2018, for Counselor Appreciation Day. Counselors received important updates from the Arts and Sciences Division, Career Pathways, the Early College Program, the Secondary Center Program, and the Financial Aid Department. They also enjoyed lunch and craft projects where they could network with ANC staff and their counseling counterparts.

BACK-TO-SCHOOL LEI'D BACK LUAU BASH

Arkansas Northeastern College held a Back-to-School Lei'd Back Luau Bash on August 28, 2018, to let students kickoff the new semester in a fun way. This Hawaiian-themed event featured waterslide kickball, fun games, prizes, and free food.

HALLOWEEN COSTUME CONTEST

Thank you to all students, faculty, and staff who participated in this year's ANC Halloween Costume Contest. This year's faculty/staff winner was the Red Hat Society made up of math department faculty Renea Reid, Iryna Andrews, and Emily Thomasson. The student winner was Linda Bennett dressed as a historical samurai.

STUDENT APPRECIATION AND PREVIEW DAY

This year for Preview Day, we had 15 local area high schools in attendance throughout all three preview days. This event took place along with our Student Appreciation Week for current ANC students. The Preview Day students will get to mingle and enjoy some one-on-one time with current students, while also learning about ANC Admissions, Financial Aid and current programs in which they are interested. For Student Appreciation, stations were set up for students to play games, win gift cards, t-shirts, and other promotional items.

ANC SUNS

INTRAMURALS

VOLLEYBALL ▶

ANC's intramural volleyball team won their second Arkansas Delta Intramural League (ADIL) jamboree after finishing second in their first one.

▶ FLAG FOOTBALL

ANC's intramural flag football team had yet another successful season in the ADIL. They finished in the top two in all of their jamborees and went on to finish second in the big year-end tournament held at Arkansas State University in Jonesboro.

▶ GYM FACELIFT

They gym in the Briggs/Sebaugh Wellness Center got a bit of a facelift with the installation of new gym pads with an ANC Suns athletic logo.

Go Suns!

ANC HOSTS ARKACRO COLLEGE FAIR

Arkansas Northeastern College hosted an ArkACRAO College Fair on October 25, 2018 with approximately 775 students in attendance from 10 local area high schools (Mississippi County, Poinsett County, and the Missouri Bootheel). While at the College Fair, students had the opportunity to speak with 7 different ANC departments/representatives, along with 23 other colleges and universities and one representative from the Army National Guard. The College Fair is held to allow students the opportunity to gather information about their future endeavors after high school, and even allows them the chance to discuss transfer options to other colleges of their choice once they graduate from Arkansas Northeastern College.

1st Day OF FALL CLASSES

ARKANSAS NORTHEASTERN COLLEGE
HARVEST PARTY

GATHERING AT THE Grange

Wilson
Gardens

Thank you to all donors and volunteers!

Almost 200 people gathered at the Grange in Wilson, AR for the Arkansas Northeastern College Foundation's Annual Harvest Party. The event featured a wonderful meal, live music, a live auction, and a silent auction. There were many wonderful items donated by businesses and individuals and the event raised just over \$18,000. "We are so appreciative of our major sponsors and prize donors. We had some really awesome items for auction again this year," said ANC Foundation Executive Director Rachel Gifford. "It's such a fun evening and we are so glad to be able to host this county-wide event in support of the Arkansas Northeastern College and its Foundation. We have a wonderful volunteer committee who makes this happen and I cannot thank them enough," added Gifford.

MAJOR CASH DONORS

28TH ANNUAL ANC FOUNDATION/YAMATO KOGYO COMPANY SCHOLARSHIP

GOLF *Tournament*

Thirty 6-person teams graced the course of the Blytheville Country Club on September 17, 2018, for the 28th Annual ANC Foundation/Yamato Kogyo Company Scholarship Golf Tournament. This international event has raised over \$521,000 since it began with another \$30,000 expected to be raised from this year's event. Yamato Kogyo Company, Ltd. President Mr. Mikio Kobayashi of Himeji City, Japan, and local Yamato Holding Company President Mr. Tetsuro Mishima presented ANC President Dr. James Shemwell and members of the ANC Foundation Board of Governors a check for \$25,000.
