

Associate of Arts in Teaching

The Associate of Arts in Teaching is designed for students who are interested in transferring to a senior institution and completing a Bachelor's degree in Teaching. This degree will transfer to any four year institution in the state of Arkansas. Students seeking the AAT gain the foundational knowledge and field experiences needed to work with children in grades kindergarten through sixth. Students completing this degree will also receive the required general education coursework required of other institutions. To receive this associate degree students must earn a grade of "C" or better in English Composition I, English Composition II, and Quantitative Reasoning OR College Algebra.

Note: Completing the Associate of Arts in Teaching degree at ANC does not guarantee admission to teacher education programs at four-year receiving institutions. Students planning to transfer to other colleges and universities should contact the transfer institution in advance regarding degree and admission requirements for transfer into their bachelor degree education program.
