ANC Community Education Hosts Free Technology Training Sessions

Recognizing that some community members might not be familiar with the online learning environment, Mary Ann Garren, Danny Graham, Kaci Bell, Dr. Jillian Hartley and James Hartley hosted training sessions using the college's Learning Management System (LMS). Their collaborative effort utilized marketing, community education, and academic instruction to offer three sessions at various times on two of ANC's campuses.

Notes of Thanks

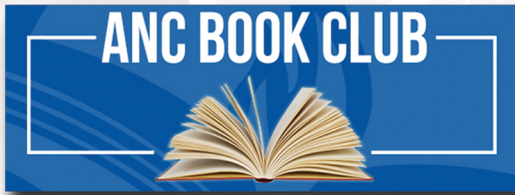

ANC Board of Trustees, Faculty, & Staff,
Thank you so much for the beautiful plant that was sent for my brother's funeral. ANC is the absolute best place to work and cares so much for their staff. Once again, I can't thank you enough for thinking of me and my family during this time.
Kim, Billie Wallace & family

Thank you all for your kindness & thoughtfulness during the loss of my dear mother. The peace plant is beautiful. I appreciate it so much.
JoAnn Pellerier (Kyra Langley)

Dear ANC Family,
I would like to extend a sincere thank you to everyone who has reached out in the loss of my mother-in-law. It has been a very painful time, but the support and prayers from everyone has been a comfort. The plant sent to our family on behalf of the board and staff was very appreciated, as well.
Go love your people while they are here!
Thank you all again,
Maci Jones
