## Multiple Solutions Group Activities

Arkansas Northeastern College's Allied Technologies Division and Northeastern Arkansas Community Correctional Center collaborated to provide several opportunities to inmates recently incarcerated. During the Spring 2017 semester (January – May), 10 inmates traveled to the Arkansas Northeastern College Burdette Center to complete classes towards the Certificate of Proficiency in Construction Technology program.

---

The Solutions Group, trained five Nucor-Yamato Steel employees in Programmable Logic Controllers during the Spring 2017 semester (January - May). This three-credit hour college course applies toward any of the degree plans in the Allied Technologies Division. The course was customized to fit the rotating work schedule of employees at Nucor-Yamato.

# ANC Student Nurse Club

The Associate Degree Student Nurse Club collected dog food, cat food, treats, and other supplies and donated them to the Blytheville Humane Society. The students put in a great deal of effort in this project and we are very proud of them. April Nutt, MSN, RN and Shauna Winchester, MSN, RN are the sponsors for the ADN Student Nurse

# ANC ADN Student Nurse Club

The Associate Degree Student Nurse Club collected shoes for a shoe drive on the behalf of the Caruthersville Humane Society. The students donated over 100 pairs of shoes that will help reach an important goal for the humane society. The students put in a great deal of effort and we are very proud of them. April Nutt, MSN, RN and Shauna Winchester, MSN, RN are the sponsors for the ADN Student Nurse Club.

# ANC Students Volunteer in Local Community

This spring, the Teambuilding/Teamwork class volunteered their time to help the Blytheville Humane Society. The class collectively volunteered over 40 hours of community service. Check out a few student testimonials about their experiences!

Brandy Lindsey-

"Volunteering at the Humane Society was fun and eye-opening, meeting and walking the dogs was an experience. The dogs were so happy to be running around and exploring. Being able to play with the cats and giving them some companionship even just for a little while, was very rewarding. The workers at the shelter were also excited to have us there helping. It was a fun and rewarding experience. I'll be back to help again."

Lacandra Lewis-

"My experience at Orphan Annie's was great. It showed me that people that were less fortunate could still keep up with the latest fashions, due to the acts of kindness of other people. "

Devin Millikan-

"Community Service is something that I honestly didn't think I would ever do. For this being my first time I found that I actually enjoyed myself. The feeling of both helping my community and working with my teammates was a wonderful feeling. I've come to realize that community service can be enjoyable, and I understand the value of working with my team instead of working alone."

## ANC Community Chamber Ensemble Summer European Trip

The ANC Community Chamber Ensemble, accompanied by 21 community supporters, recently toured Scotland, Northern Ireland, and Ireland from June 29 through July 9. This tour included concert performances at St. Mary's Cathedral (Edinburgh, Scotland) and St. Nicholas Church (Galway, Ireland). Director, Dr. Keith Hearnberger, concertized on the piano and organ during these performances. The group also traveled to Dublin, Ireland to participate in the Dublin Choral Festival, which featured over 230 singers from across the United States.

# MASH Camp 2017

MASH Camp was held June 12-June 22 at ANC, and was full of exciting adventures over the two-week span. The following students were accepted into the MASH program: Madison Bibbs, Manila-Morgan Russell, Rivercrest-Madison Larrow, Armorel-Lacie Aaron, Blytheville-Haley Sanders, Blytheville-Madison Terrell, Gosnell-Rachel Luttrull, Armorel-Monique Williams, Blytheville KIPP-Brieshuna Buckley.

The camp was full of non-stop activities and exciting fun-filled adventures that ranged from HIPAA training, CPR training, emergency scenario response, Air Evac, diagnostic scenario training, shadowing local hospital and clinics, touring UAMS in Little Rock, going on Adventure Training camp at EACC in Forrest City, team building, social media etiquette, texting and driving, medical terminology, organ donation stories, casting, dissecting and suturing pig hearts, dental radiography and teeth impressions, proper hand washing technique and injection techniques and more. With this diverse exposure to healthcare, students are made aware of the various healthcare career choices.

Many thanks to ANC, ANC Career Coaches, Great River Medical Center, Ascent Specialty Clinic, Dr. Ashley's office, Local Farm Bureau Agencies and the Farm Bureau Foundation, UAMS staff and medical students, and the many wonderful presenters that shared their expertise. MASH Camp would not have been possible without each of these contributors doing their part.

# ANC Hosts 2-Day High School Basketball Team Camp

Over 150 high school students attended the event, and enjoyed some very competitive basketball. During the break in action, the students enjoyed playing a few games in the Student Center/Sunroom. The students were very impressed with the ANC Wellness Center, Student Center, and Sunroom. Thanks to these schools for participating in the camp: Blytheville, Caruthersville, Cooter, Gosnell, Marked Tree, New Madrid County Central, Osceola, Rivercrest.

# Logans Give to ANC Center for Allied Technologies

Arkansas Northeastern College's Center for Allied Technologies just received another gift toward its new Center for Allied Technologies. Mr. and Mrs. John Logan of Blytheville have donated \$25,000 to the project which broke ground in April.

The Logan's donation will allow them naming rights to the courtyard area of the facility—the Logan Memorial Courtyard. Mr. Logan has given this gift to honor his father, Max Logan, and other family members who served and loved the former Mississippi County Community College now Arkansas Northeastern College. Mr. Logan's father, who passed away in 1987, was the co-chairman of the committee to pass a tax to establish the College in 1975. He was later appointed to the first Board of Trustees at the College. Mr. Logan has continued his father's support of the College and education and has served on the Arkansas Northeastern College's Board of Trustees and now is a member of the Arkansas Northeastern College Foundation Board of Governors.

Mr. Logan, a lifelong resident of Blytheville, has always been a community supporter. He currently serves as the Chairman of the Mississippi County Hospital System and on the Board of Southern Bancorp as well as his role with Arkansas Northeastern College.

"My family and I have always enjoyed this school," said Logan, adding, "My father believed in giving back to the community and he instilled that in me. We thought this project would be the perfect opportunity to do so."

"We are so appreciative of this generous gift by the Logans," said ANC President Dr. James Shemwell.

"Mr. Logan has served as a Trustee for our College, and he and his wife Sue have been active members of our community for many years. We are so glad to be able to name an area on our campus after the Logan family."
