

## Business - Associate of Science Degree

---

The Associate of Science in Business Degree is designed for students who wish to complete the first two years of a business-related bachelor's degree and then transfer to a four-year college or university. This degree program includes both general education courses and core business courses. The Associate of Science in Business Degree requires successful completion of 64 credit hours with a minimum grade point average of 2.0 and a "C" or above in EN 12003 English Composition I, EN 12013 English Composition II, MA 14043 College Algebra and MA 24073 Business Calculus.

Students pursuing this degree must satisfy all remediation and prerequisite course requirements in addition to the courses listed below. The following sequencing of courses is recommended for full-time students who have completed all prerequisites. Many individuals, especially part-time students and those taking college preparatory courses will require additional semesters of study. Consult with your advisor each semester to determine an appropriate schedule.
