## ANC Mission

Arkansas Northeastern College is committed to providing accessible, quality educational programs, services, and lifelong learning opportunities.

## Solutions Group Activities

ANC Solutions Group instructor, Rob Semmel, conducted Leadership Development training for Southern Bancorp loan officers and other bank personnel. Training included teamwork/teambuilding techniques, time management, and customer service. After successful completion of the training program, these employees were able to set SMART goals and prioritize effectively, plan strategically, work together as a cohesive team, and discover effective ways to make meetings more engaging.

Brandi George and Stacey Walker visited NEA Career and Technical Center in Jonesboro to recruit for the Center for Allied Technologies ANC Internship Program. They presented to six groups of students and shared information regarding the ANC internship program. The ANC internship program is a widely recognized program that allows high school and non-high school students to apply to work part-time interning at one of our many company sponsors.

## Notes of Thanks

To the ANC Board of Trustees, Administration,  
Faculty and Staff,

Thank you for the gorgeous floral arrangement.  
Your thoughtfulness helped brighten my day during  
a difficult time, and I know my brother, Gerald,  
would have appreciated the kind gesture that ANC  
gave me. The many phone calls, emails, cards, and  
texts will be cherished forever.

It was very thoughtful for ANC to take the time to  
express the College's condolences in a time that I  
needed a little brightness.

Thank you,  
Rosemary Lowe

Board of Trustees, Faculty & Staff of ANC,  
Thank you so much for the plant and for  
thinking of me.
