ANC Mission

Arkansas Northeastern College is committed to providing accessible, quality educational programs, services, and lifelong learning opportunities.

Summer at ANC

We are looking forward to the return of the faculty this fall term. ANC welcomed some wonderful new team members this summer, and the campus hosted a number of exciting events and activities. We will soon have new and returning students on campus, so please join us in welcoming them. Have a great academic year!

Internship Workshop

On June 10th, the ANC Solutions Group hosted the annual ANC Internship Workshop. It consisted of 30 candidates for the ANC internship program and three companies. During the internship workshop, Rob Semmel and Josh Chipman conducted short sessions on professionalism and marketing yourself, providing interview tips, and communication pointers. There were also sessions conducting mock interviews utilizing volunteers from various departments in the college. In addition to workshops, interviews were held with local employers Nucor Yamato Steel, Nucor Steel Arkansas, and Watco.

If you have any questions regarding internship contact Brandi George, bgeorge@smail.anc.edu.
Special thanks to all individuals who made this event possible!

Girls in STEM

The 2021 Girls in STEM camp was held this summer on campus and was a collaboration with the Museum of Discovery. The students had a blast!

TRIO Student Spotlight

Steven Cuble is originally from Osceola, but he moved to Blytheville when he registered at ANC in the spring of 2021. Steven is unique in that he has a disability with his right arm, but he does not allow that to hinder his pursuits, including the welding degree program he is enrolled in at ANC. He admitted that it has been difficult for him at times, but he has a strong will to accomplish his goal in whatever challenges he encounters. Steven also wants to obtain an entrepreneur degree along with his welding degree.

Educational Opportunity Advisor, Denese Bogard said, "After speaking with Steven, he has become an inspiration to me because he refuses to give up by giving his whole self by working hard in accomplishing his goal and showing others that a disability does not have to hinder ones' future!"

If you see Steven around campus, please say "Hi!"

ANC Instructor Receives Doctorate

Matt McCord, ANC Director of Health, Wellness, and Recreation, recently completed all requirements to receive the Ed.D. - Doctorate in Educational Leadership degree from William Woods University. McCord was in a "live cohort" with ten other students, finishing 2nd in his cohort. McCord completed all coursework with a 4.0 GPA, passed the comprehensive final exam, and completed/defended a 148 page Dissertation titled "An Investigation of Available Student Fitness, Wellness and Recreational Sports Programs on Student Recruitment and Retention at Two-Year Colleges in Arkansas."

Congratulations, Dr. Matt McCord!

ANC Faculty Achieve Academic Rank

Dr. Kimberly Weathers
Assistant Professor

Melissa Watkins
Assistant Professor

Kim Baxter
Assistant Professor

ANC established its faculty ranking system allowing faculty members to earn the ranks of Assistant Professor, Associate Professor, and Professor based on accomplishments in the areas of student & dean evaluations, institutional & community service, scholarship, student success, and institutional-specific & discipline-specific professional development.

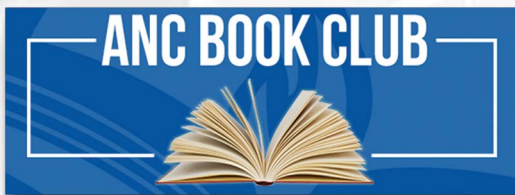

The faculty members to be awarded rank are Dr. Kimberly Weathers, Melissa Watkins, and Kim Baxter.

Congratulations to the awardees!

Social

Local Engagements

Join ANC Librarian Karen Ellis for intellectual stimulation and lively discussion in the ANC library. Make new friends, share your knowledge, and if you don't have a card- sign up for a library card to take advantage of the excellent reading material available at the ANC Library.
