Operations – Summer Intern

Trinity Industries, Inc. is searching for talented team players to join our 2023 Summer Internship Program!

The 2023 Summer Internship Program is designed to expose students to the many facets of business and culture within Trinity Industries, Inc. Each intern will work on a project-based, real work assignment that aligns with their area of study. Interns will receive firsthand experience with Trinity's culture and business environment through networking opportunities, plant tours and special presentations.

Trinity Industries, Inc. is searching for a passionate **Operations Summer Intern** in **Jonesboro, Arkansas**.
